Rev. G. W. H. CLARK, Great Falls, N. H.

## AYER'S CATHARTIC

PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore. DEAR IRO. AVER: I cannot answer you what complaints
I have curet with your Pills better than to say all that we
ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great report Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarim.

Billous Disorders From Dr. Theodore Bell, of New York City. Not only are your Pilis admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. \
Size: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are admirably produced for decrease. dating action on the liver is quick and declared, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hospital.

Dysentery, Diarrhaa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alternative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Rev. J. V Himes, Paster of Advent Church, Boston. Dr. Ayen: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreel, Canada.

Too much cannot be said of your Pills for the case of costiceners. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe configurate to originate in the liver, but your Pills affect that ticeness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Ruart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. PULISKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SER: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic paint, which ended in chronic rheumatises. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Ealtimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855. Dr. Aven: I have been entirely cured, by your Pills, or Rheumatic Gout—a painful disease that had afflicted me for years.

GOFFSTOWN CENTRE, N. H.

In Medicine that is now becoming popular faster than any other article sold by druggists:

Rev. J. K. Chase, of Rumney, N. H., under date of April 4th, 1860 says:—" When your favor. (two bottles of White Fine Compound.) was received, I was suffering from a most sever recold. I took the Compound, and was able to preach in two days. \* \* \* I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with it."

Rev. L. C. Stevens, Pastor of the Bapt-st Church at Goffstown Centre is a letter dated Fed. 1260, says:—

"Some of my taraity have tried it. (the Compound.) with signal success. I believe it to be one of the best Cough Remedies ever prepared. Besides its value as a Cough medicine I have good reason to believe it to be all it claims to be for Kidney Diseases and Diabetes."

Mr. Ara Goodhue, of Bow, N. H., was so prost, a. ed by Diabetes, in March, 1879, that neither himself nor any who saw him thought that he could possibly live through the month. As a last resort, he though the would try the White Pine Compound. They precord a bottle for him; he began to take it and to the surprise of all, im mediately showed signs of amendment. Flever month afterwards (Feb. 23, 1860) in a inilistate ment of his case esays: "I believe Dr. Poland's White Pine Compount under God, has been the means of my recovery the red.

undreds of cases of Kidney complaints, cured as the Ly by taking the White Pinc Compound, have been reported by druggists. Here are two samples:

An aged man in Danvers, Mass, heard of the Compound, as a wonderful curative for kidney complaints being a great sufferer from that difficulty, he sent to the Apotheosry for two bottles. They cured him. He said there were worth fifty dollars. He has since soid a good many bottlesh meelf.

The second case was that of a business man, in Salem, Mass. He was also cured of the same complaint. Afterwards he went to Minnesota. The great fait, he of his journey brought on a return of his former difficulty, and seeking in vain in Minnesota for the Compound, he was compelled to send all the way to Salem to have it forwarded by express.

"July, 1860. De Poland:—Mr. J. C. Butterfield, Jr., who sells your Medicine, has requested me to give a brief statement of what your Whole Phie Compound has done for me. I had been afflicted with the Kidney Complaint for a long time, and had a bad Cough of ten year's standing, which caused me to spit blood quite frequently. No one of my acquaintances expected that I should ever get my health again. But no bottles of your White Pino Compound have cured me of both the Cough and the kidney Complaint.

I would also state, that a lady, a neighbor of curs, was so badly afflicted with a cough, that she sat up only long enough to have her bed made, and we all thought she was going in a quick consumption. She took only one bottle of your Compound and it cured her. She is just as well now as she e et was. STETHEN BART-LETT,
